# Senior Class Prophecy

Minooka Community High School

Minooka, Illinois

Dear Mr. Siron,

Since you were so fond of the 1965 Senior Class, we thought you would like to know what has become of us.

First of all, let us explain who we are and what has become of us. We are *Deenie Boese* and myself, *Rita Orlomoski*. I have obtained the highest standing in the world in the field of psychiatry. I obtained my doctorate degree from several universities which include Harvard, Yale, Princeton, and Notre Dame. Deenie also has a doctorate degree, but in sociology.

We are writing to you from Jelly Bean Island off the coast of South Africa, owned by none other than *Jim Clegg*. We were sent here for the purpose of research by the President of the United States, *Bob Heap* and his first lady—*Tina (Bird) Johnson*. Along our route of travel we have met most of the former 1965 senior class students of Minooka High School.

On the way to Europe our pilot was *Jerry Davidson*, who flew the Flaky Airlines owned by *Larry Jones*. Our stewardess, *Mary Hess*, was very pleasant. While flying we conversed with the greatest escape artist in the United States. Yes, you guessed it, none other than *Elba* (who done it) *Hensley*. While relaxing on the flight we watched astro-vision. The "Tonight Show" was on with guest stars *Jerry Goggins*, that great comedian, also *Dave Brown* and his Adorabellos, *Judy Clark*, *Linda Evans*, and *Sally Stroud*. We also saw the United States space flight with astro boy *John Dorre* and companion *Kathy Bols*. This flight was the first man-woman flight ever to go up successfully. The first flight, which contained *Lana Zink* and *Howard Davidson* wasn't very successful, to our dismay.

When we landed in Paris, customs inspector *Sharon Hoppler* inspected our luggage. We were talking about the headlines that were in the papers: "Marsha Thomas elopes with Bonnie Prince Charlie." Then I realized that it was getting late and we had to make our hair appointments at the Curly Wave Beauty Salon owned and operated by *Dee Potts* and *Donna Eneix*.

After a hair-lifting afternoon we went to our hotel, the Shady Lady's Lounge in Paris. We were greeted at the door by bellhops *Steve Bailey* and *Jerry Hauge* who introduced us to the manager, *Ralph Siron*. Ralph told us about friends of ours who were also staying at his hotel. Later we found out that the friends were basketball manager *Lee Stroud* and all-around basketball player *Al Dorick*.

By now Deenie was pretty hungry, so we decided to eat big. I wanted to go to the Gay Paree, the biggest restaurant in Europe, owned by *Alice (o-o-o la-la) Hulbert*. We were greeted at the door by two smiling bunny girls, *Lee Wilhelmi* and *Sherrie Sharpton* who took us to our table. The master of ceremonies for the evening was *Mel Smith*, who introduced guest singer *Carol Jones*. While we were listening to Carol, we happened to glance at the next table. Two of the best known European play boys (*Harry Ludwig* and *Dave Peterson*) were sitting there. Remembering us from Minooka High School, they came over and asked if we were sitting alone. When we said yes, they decided to become our escorts for the rest of the evening.

The first place they took us was to *Tom Harrington's Wholesale Beverage Store*. After a sparkling hour we went to Helen's House of Ivy owned by *Helen Davidson*. We sat and heard poems by *Frank Ashley*, and folk songs by *Larry (Daddy Cool) Dirst*. We also saw a swordswallowing act with *Dan Friant* and *Bill Molony*. When *Dan Friant* cut his neck (he was good at things like that) Doctor *Irene Rousonelos* and nurse *Lora Zink* came to the rescue. While we were there they announced the "Miss Universe Contest" winner as *Phyl Stafford* and "Mr. Universe" as *Keith Steffes*. Harry and Dave wanted to see the wrestling match between Big Daddy *John Tapley* and Bear Cat *Doug Sitzes*.

That night we also went to a movie called, "Tarzan In Paris," starring *Ralph Gabrielson* as Tarzan, *Sue Pumphrey* as Jane, *Nan Harlow* as Baby Jane, and *Terry Coley* as Boy.

After a good night's sleep we went to the biggest amusement park in Paris owned by *Joan Martin*. There we met the Snow Cone King, *Steve Sanders*. We also saw the "Odd Ball and Freak Show" with *Elton Gerber* as manager.

Finally our trip was coming to an end. We took a plane to our headquarters on Jelly Bean Island. On the plane we ran into the last person in the 1965 class, *Ron "Money Bags" Severson*, who was vacationing on Jelly Bean Island from his stock market empire.

Well, it's good to be back to work, even if it is on Jelly Bean Island.

Sincerely yours,  
Deenie Boese  
Rita Orlomoski

I also will to him a junior boy who will laugh at him for making these math errors, as he himself does. And finally I will to him my ability to be logical, concise, and brief!

Four years ago the Class of 1965 entered Minooka High School. Most of us were a little scared and not certain what the future would hold. Our freshman year was spent with acquainting ourselves to high school life. Our sophomore year was probably the most restful of our four years. Our junior year was full of excitement and hard work. First came the play "Stranger in the Night," next came Christmas card sales, and then came the highlight of the year—the Banquet and Prom—"ENCHANTED ISLE." Our last year was a busy one, too. Our senior play consisted of 3 one act plays—"Bench 18"—"Crackerbarrel"—"He Done Her Wrong." This year, the juniors presented us with the banquet and prom "Gone With The Wind." Shortly after that was the Senior Trip. The remainder of this busy year was filled with plans and expectations for that day we'd been waiting for—GRADUATION.

Looking backward we see many fond memories and warm friendships and many moments we'll never forget. We are very thankful to those who helped us prepare for the future we face as we, the Class of 1965, leave Minooka High.

## Indians Topple Seneca

MINOOKA (Special) — Don't count Minooka High School out of the Coal Valley Conference basketball title race yet.

Head Coach Ron Lehman's club dented the win column here Tuesday night, clipping defending champion Seneca 56-55.

Senior Al Dorick sealed the verdict in the closing seven seconds, converting on a pair of free throws.

Dorick shared scoring honors with the losers' Tom Kaufman, both dropping through 20 points. Craig Mann, the talented front court running mate of Dorick, contributed 19.

This was Seneca's initial CVC clash, while Minooka upped its mark to 1-2, and staved off early elimination. The Irish are now 2-3 on the season, and the Indians 3-3.

Minooka shot .461 from the floor and .571 at the charity stripe, compared to Seneca's respective tallies of .414 and .533.

## Seneca Edge For Third Place

MINOOKA (Special) — Seneca stood off a fast finish by Minooka here Friday night to claim third place in the Coal Valley Conference Tournament, 66-63, despite a stellar 29-point performance by the losers' Craig Mann.

The Irish led by as many as 11 points, 59-48, just shortly before the mid-point of the final period, only to have the determined Indians trim the difference to just one, and make a new ballgame of it.

Minooka poured in 10 straight points without return in slightly more than a minute to make it 59-58 with 3:30 still remaining to be played.

Dave Anderson finally brought the Irish back to life, wrapping two free throws and a basket around a solo charity toss by Minooka's Dave Brown to make it 63-59 Seneca with less than

The 66-63 score came about when Seneca's Lon Brewe hit a pair of free throws after the final buzzer.

Earlier in the game, Seneca had held command by varying margins, 17-11 at the first stop, 32-28 at the half, and 51-43 going into the last period.

Seneca won the contest at the charity line, hitting 18 of 29 attempts for a .621 average. Minooka had one more field goal, 25, and a better free throw average, .650. But, the Indians had only 20 shots from the line.

Seneca was a red-hot .585 from the floor, 24 of 41, and Minooka wasn't far off that pace with .490, 25 of 51.

Tom Kaufman led the Irish attack with 19 points, Mike Ugoni tossing in 16 and Patarozzi 13.

MINOOKA — The finalists in the 22nd Annual Coal Valley Conference basketball tournament will be decided here tonight, beginning at 7 p.m.

The lid-lifter matches defending champion Coal City and Minooka, while the later offering pits Seneca and St. Paul of Odell.

Consolation and title clashes are set for Friday.

St. Paul carries the finest record of the four, a 10-2 log, while Coal City is 9-4, Seneca 7-5 and Minooka 6-6.

"There's an upset in this tourney every year it seems and since I've been at Minooka we've had a hand in a couple," said Ron Lehman, an extremely happy man Wednesday night, following the Indians' 77-68 conquest of Dwight.

A year ago Lehman's boys surprised St. Paul, and the preceding season provided an even more talked about shocker, stopping fabled Ken Barnett and Braidwood.

Coal City edged Minooka 66-63 for the 1964 crown.

Craig Mann, a 6-foot-2½ junior, was magnificent in the nod over Dwight, but Lehman preferred to center his thoughts on the performance of Howard Davidson, a 6-3 senior.

"Davidson did the job out there (against Dwight) that I've been waiting for all season," said Lehman. "Look at this scorebook — Howard got 18 points and 15 rebounds — and you've got the picture.

Basketball is quite the thing here (Minooka) and I'm afraid not all the people have been convinced that Howard was our answer for a big man. They can't doubt it now.

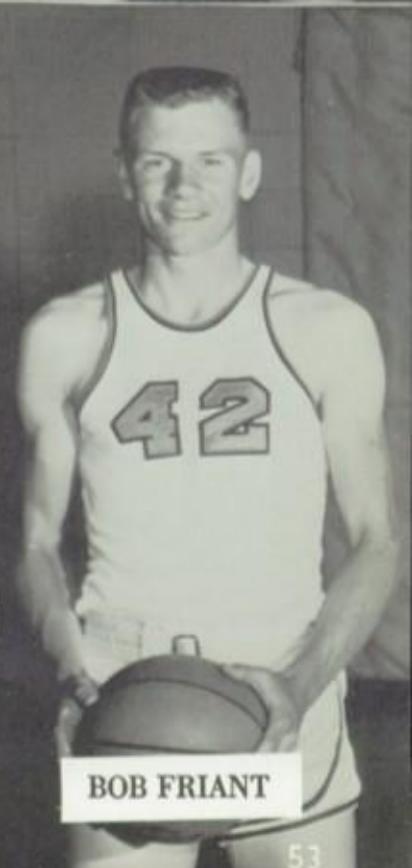

"Say, I guess it sounds like Davidson was a one-man show,

# Minooka Wrestlers Win Third

MINOOKA (Special) — Minooka's wrestling squad scored its third successive win Monday night, a 50-7 decision over Lemont.

The Indians completely dominated the match, gaining seven pins and two decisions while the losing Lemont squad was held to a single pin and a tie.

In the 95 pound match Minooka's John Szepelek pinned Lemont's Wayne Eliasic in 1:40 of the first period. At 103, the winners' Terry Overton pinned Dan Weaver in 1:00 of the second.

The next contest (112) ended in a 5-5 tie between Lemont's Dennis Rhode and Bob Stirniman. In the 120 pound match, Minooka's Al Singer put Stan Glib on the mat in 1:21 of the initial period.

Terry Reed, 127, defeated Lemont's Wayne Guttershan 4-0 while in the following contest (133) the losers gained their lone victory of the meet as Wayne Schuleper pinned the Indian's Dale Fatlan in 1:23 of the second.

But the Minooka grapplers came back with pins in the four following contests. Elton Gerber (138) floored Bob Calkins in 1:48 of the second period while Larry Flatness took only one minute and 22 seconds to put Lemont's George Rolowicz on the mat in the 145 match.

At 154, Joey Goggins pinned Jim Boych in 1:06 of the first while Doug Sitzes, 165, won over Mark Burzinski in the same

# Mat Tournament Starts at Minooka

By RON FOX

MINOOKA — (Special) — Minooka's second invitational wrestling tournament will be held at the Minooka High School gym at 6:30 tonight, and at 7 p.m. Wednesday night.

Preliminaries for the tournament will be held tonight with the finals on Wednesday.

Those schools participating in the tourney are Gardner, Lemont, Plainfield, and the host team, Minooka.

Team trophies will be awarded to the first two teams in the tournament, with individual medals being awarded to the first three places. A "fastest pin" trophy will also be awarded.

Two local coaches, David Decker of Minooka, and Pat Kenny, of Gardner, who are in their first year of coaching at their respective schools, were interviewed by the Morris Daily Herald reporter. Following are some of their comments on the tournament.

Wrestling Coach David Decker, told the Herald reporter that two boys, Doug Fitzes, who wrestles in the 154-pound division, and Frank Ashley, wrestling in the 180-pound class, have done exceptionally well this year, and has high hopes for them in the tournament.

According to Coach Decker, there are three others who are wrestling in a different class than they started in. They are Jerry Goggins, now wrestling in the 145-pound class; Larry Flatness, wrestling in the 138-pound class, and Elton Gerber, who is wrestling in the 133-pound class. All but Flatness are seniors. He is a sophomore.

When asked if there would be any chance for any of his boys to capture the fastest pin trophy, Decker commented, "I don't

Gardner Coach Pat Kenny, is a "very fine" wrestler, as he has only been beaten once.

Coach Decker said that the game should be fairly close between Plainfield, Minooka and Gardner. Not knowing too much on Lemont, he said that he believed it would be a "three way dog fight." With some tough competition like Plainfield and Gardner, he thinks that the tournament should be rather close all the way.

In closing, Decker said that all in all, it should be a pretty good tournament, with some especially good matches on Wednesday night.

Gardner High School wrestling Coach Pat Kenny told the Herald reporter that with a full team Gardner could win the tournament. At the present time, though, Gardner has only a 10-man team. Kenny said that he started out with 14 boys, but there are now 10. In the tournament at Minooka, however, John Vigna, who wrestled at the heavyweight position until he was injured, will be missing, so there will be only a nine-man squad for tournament action.

There is very little doubt in Kenny's mind that McGuire will win the 112-pound championship, so with both local coaches thinking this, McGuire should be able to walk off with a championship.

Ray Papach, a senior wrestling at 133 pounds, ended up last year with a 14-2 record, and is regarded as a "winner" in the tourney by Kenny.

Vic Serena, senior 120-pounder, also has a pretty good chance, according to Kenny.

There will be no Gardner entry in the 138-pound division, but 165-pounder Larry Hahn may place. Rick Phillips, a junior at 154 pounds, is also regarded as having a chance to win.

# Dave Brown Fires No-Plainfield Micsues Help Indians Down Oswego Minooka Gain 13-0 Win

MINOOKA — (Special) — The Indians and Dave Brown rolled to victory Friday evening on their home diamond as they downed the Oswego 2-0 behind the no-hit pitching of their mound ace Brown. Brown fired perfect ball most of the game and in the fifth inning got on first with a walk to open the door to the Indians' two runs.

Harry Ludwig followed Brown to the plate and got on with an error and Dave Friant also reached base on an error loading the bases with no one out. Tom Harrington fanned and Tom Severson was out on a fielder's choice but Brown and Ludwig raced home to tally the two runs while Severson was put out.

The Indians got two runs on four hits and Brown registered six strikeouts and six walks while the losing pitcher for Oswego, Denny, had six strikeouts and three walks.

Severson, the Indians' center fielder, had two of the five hits that drove in the winning runs. The Indians have one remaining game and this is with Lemont and the winner of the contest will capture the Fox Valley crown.

HARRINGTON PLAINFIELD — If one may take the old adage "to err is human" literally, then the Plainfield Wildcats proved their humaneness Monday evening, committing 10 miscues in a 13-0 loss to Minooka.

Dave Brown went all the way for the Indians, allowing Plainfield only three hits in five innings of play. The game was called at the end of five frames because of the 10 run forfeit rule. The victory was the seventh in nine decisions for Fitzpatrick Brown, while Bert Saxon took the defeat for the Wildcats.

Craig Mann opened the Minooka first inning by reaching second on a two-base error by the Plainfield right fielder who dropped Mann's lazy fly ball.

Harry Ludwig then put the first and what turned out to be decisive run on the scoreboard for Minooka.

the Indians with a sharp single that sent Mann home.

Plainfield's defense crumbled in the third inning, allowing four Minooka runs to score on only one hit. The Wildcats committed three errors in this frame. Tom Harrington opened the inning with a ground ball that was dropped in the Wildcat infield. Al Dorick then sent a shot to center field, and when the ball was bobbled, Harrington and Dorick wound up on second and third.

Tom Severson, the next Indian hitter, put the frosting on the cake for Minooka, sending a slow roller down the third base line. The ball was fielded cleanly but thrown away, and when the dust had cleared, two runs had scored and Severson was on third.

Severson, himself, soon tal-

lied the fourth gift run to put Minooka ahead by eight runs at the end of three innings.

Minooka's Fox-Valley Conference record now stands at 5-2 for the season, while the Wildcats support a 4-3 league mark. Minooka will continue action Wednesday at Yorkville, while Plainfield will meet Lemont at home on Thursday.

# Indians Win FVC Test 9-7

YORKVILLE — Minooka won its sixth Fox Valley Conference tilt of the season here Wednesday with a 9-7 victory over Yorkville.

The Indians slugged 13 hits off of two Yorkville pitchers in the 10-inning marathon.

The Indians jumped off to a quick 4-0 lead as Yorkville hurler Chuck Kobliska issued four of his seven walks in the first two innings. This, combined with some timely hitting and a three-base-wallop by Ron Severson in the second inning, put the Indians off to a flying start.

A solo run in the fifth inning gave Minooka a 7-5 lead. Harry Ludwig and Tom Harrington opened the frame with singles. Ludwig then attempted to score on an infield grounder by Al Dorick. The play at the plate was in time, however, and Dorick was safe on a fielder's choice, Harrington, who had advanced to third on the previous play, then scored as Bob Friant tapped a grounder to short.

The game was a 7-7 deadlock for three innings before the Indians put it on ice with a two run tenth.

Pierce Brooks led off the tenth with a single. Ludwig then sent a ground ball to third which Tellefson picked up and threw down the right field line allowing Brooks to score and sending Ludwig to second. Dan Friant then came through with a clutch single that scored Ludwig and

### MINOOKA

The Minooka nine played two games this week and have one left with Lemont. Their last game, Friday night Dave Brown fired a no-hitter for the Indians.

While on the subject of the Minooka Indians and Dave Brown I'd like to make a comment about Dave Brown and his battery mate, Al Dorick.

In this area this past year there have been several outstanding players and this is not intended to take away from their fine playing ability, but these two boys for the Indians have done a very outstanding job during the past year although it has gone almost entirely unnoticed.

Brown has been the number one mound ace for the Indians and Dorick has been the number one receiver for them. The combination of these two boys has been one of the better combinations at the school in some time.

Brown has lost many a game during his four years in high school that could just have well been marked up in the win column.

In a game a year ago which I recall very clearly Brown pitching for the Indians got tangled up in one of the best high school contests I have seen. The Indians crossed paths with the Coalers in the Coal Valley Tournament.

Brown and Greg Washburn, everyone's choice for All-State baseballer if there were one, got into a contest which went 10 innings and was called due to darkness with the score at 1-1.

The following week Brown lost to Washburn and the Coalers but again he turned in a sparkling performance.

While Brown was doing the pitching for the Indians Dorick sat behind the batters and gave Brown signals for pitches, and most of the time Dorick had the batter figured as he helped Brown get many a batter on strikeouts.

While at the Minooka District tourney a couple weeks ago I
